

Alexandria Gazette

THURSDAY EVENING, JULY 26, 1906.

Local Matters.

Sun and Tide Table.

Sun rises tomorrow at 4:54 a. m. and sets at 7:17 p. m. High water at 11:34 a. m.

Weather Probabilities.

For this section partly cloudy tonight; showers Friday afternoon or night; light east to southeast winds.

The Scarcity of Ice.

The partial ice famine which has prevailed in Washington the last two days will, it is expected, be broken today by the arrival of the schooner Kreger, having on board 1,300 tons of Maine ice. The Kreger passed through the Chesapeake yesterday morning and was immediately placed taken to by the tugboat W. H. Yerkes, which is rapidly towing it up the river. The schooner Kennecott, with 3,000 tons, is expected by Friday or Saturday. The schooner T. A. Stinson, which has sailed from Bath, Me., is due in Washington by August 1, and is expected to arrive long before the cargoes of the Kennecott and Kreger are consumed.

The schooner Henry S. Little, from Maine, with ice to the Mutual Ice Company of this city, passed in the caps at 6 o'clock yesterday evening. The company received two loads of ice from Winston-Salem, N. C., yesterday.

Preparing for Alexandria Day.

The committee having charge of the arrangements for the observance of Alexandria day next Monday at Luna Park have about perfected arrangements for the occasion. The committee has sold 15,000 gate tickets to a business firm, and these tickets will be distributed to its patrons. Agents of the committee will have gate tickets for sale at the stations in Washington and Alexandria, and the entire proceeds of the sale of such tickets will go to the committee for the benefit of the Alexandria Hospital. A fixed percentage of the proceeds derived from the amusements at the park during the day will also be given for the benefit of the hospital, and the Washington, Alexandria and Mount Vernon Electric Railway Company has announced that the proceeds from a third of the tickets sold over its lines during the day will be given for the same purpose.

Accidents.

Mr. Forest Crook of this city, while packing a cylinder, had the Washington navy yard yesterday, had the little finger on his right hand cut off. He was taken to Providence Hospital for treatment.

A colored boy named Lane, who resides on Oronoco street in this city, was run over by a light engine at the new union depot yesterday afternoon and had his right foot cut off. He was taken to a Washington hospital for treatment.

Mr. John Allen, a bricklayer of this city, fell from a scaffold while at work in Washington this morning and was painfully injured.

Mr. Walter Douglas had one of his feet badly smashed by being struck with a sledge hammer while at work at the Alexandria Iron Works this morning.

Eagles' Excursion.

All the arrangements for the Eagles' excursion to Marshall Hall next Monday have been completed and a most enjoyable time is promised all who attend. The committee having charge of the excursion held a meeting last night and decided to engage another boat for the occasion. This was found necessary owing to the large number of tickets sold, thus insuring comfort to all who take the trip. The fat men's race will be run in the afternoon and no doubt will prove an interesting attraction. The voting contest for the most popular Eagle will close at 9:30 p. m., on the night of the excursion. The prize will be a beautiful charm.

Diamond Stud Recovered.

The Washingtonian who lost a \$200 diamond stud in a north Lee street resort on Tuesday recovered the gem yesterday. Lieutenant Smith and Officer Beach went to work on the case and traced the man who was supposed to have the stud in his possession to Washington. They requested the authorities of that city to aid them in recovering the stolen property. Later the man who had taken the stud appeared in this city, sought the officers and gave up the gem. He alleged that he took it from his friend's shirt front in order to keep it from being stolen.

Jumped the Track.

A Chesapeake and Ohio freight car while being backed out of the Wilkes street tunnel yesterday afternoon jumped the track and was knocked from its tracks. It collided with a car loaded with sugar on another track, damaging it and causing the sugar to flow out. A number of boys soon gathered and helped themselves to the contents of the car, until driven off by the train hands, after which the car was raised. Several ports supporting the signals at the east end of the tunnel were knocked down by the derailed car.

Lights on Upper King Street.

At the meeting of the City Council on Tuesday night last a resolution was adopted requesting the Mayor to confer with the authorities of the Washington Southern Railway in regard to placing lights from the new union depot to the corporation line. Yesterday, it is said, the railway company made arrangements to place five electric lights on King street extended. For some reason, however, the authorities of Alexandria county stopped the work.

Pleasant Evening Excursion.

People who desire to spend several hours in the cool of the evening on the Potomac should take advantage of the excursion trips made by the steamer Charley Macalester. The steamer is fast, modern and commodious, and has always been popular with excursionists. The Macalester will stop at Alexandria on Thursday, Friday Saturday and evenings. The steamer will touch at Marshall Hall and afterwards proceed about 30 miles down the river, returning about 10:30 o'clock.

The New Engine.

The new steam fire engine now being built at Seneca Falls, N. Y., for this city is expected to arrive early in September. As has heretofore been stated, the engine will be of the Metropolitan type, and thoroughly modern in every particular.

Personal.

Mrs. Capt. Malt Kersay of south Fairfax street, and her niece, Miss Maude Phillips, of south Lee street, are visiting relatives and friends in Salisbury and White Haven, Md.

Mrs. J. J. Sullivan and children are visiting relatives and friends in Charlottesville.

Miss Estelle Brady, of Washington, is visiting Miss Mamie Godfrey, on north Columbus street.

Miss Mary Custis Lee is at Atlantic City.

State Senator Machen has returned from Richmond where he went to attend a meeting of the legislative committee which investigated the Virginia Military Institute. The report of the committee has been prepared and is ready to be presented to the Governor.

Miss Laura Smoot and her nieces, Misses Florence and Laura Davenport, will leave next week for Europe for a protracted stay. Mrs. Danenower expects to join her daughters next fall.

Mrs. P. W. van de Westelaken, her son, Frank P. van de Westelaken, and Mrs. Henri Rohmild and grandchild of Mrs. Rohmild went to Colonial Beach yesterday for a 10 days' stay.

Rev. J. H. S. Ewell and family have gone to Round Hill for their vacation.

Mr. J. H. Ramsey has gone to Cape May, N. J., to spend the remainder of the summer.

Mrs. S. H. Feagans is seriously ill at her home in the northwestern section of the city.

Mrs. G. D. Leadbeater left yesterday for a two weeks stay at Atlantic City.

Burnette-Green Nuptials.

Miss Nellie Moore Green, of Waco, who recently took high honors at the New England Conservatory of Music, Boston, Mass., was married in New York on the afternoon of July 23rd in the Church of Transfiguration to Mr. Le Roy D. Burnette, of Boston, in the presence of friends and relatives, including her mother, Mrs. Chas. W. Green, of Waco, Texas, and several other friends from the same city. Miss Nellie Green came from Richmond, Va., at an early age and has spent much of her life in Waco, where she has many devoted friends, who will extend hearty congratulations. She is a young lady of brilliant accomplishments, especially in music, and has a number of relatives who were among the heroic pioneers of Texas. Her granduncle, Commodore Edwin Ward Moore, had command of the Texas navy during her independence as a republic, until admission into the United States. The gentleman who has won this bright and attractive Texas girl, is prominent in business and social circles in Boston and a man of sterling worth. After spending several weeks in Virginia and West Virginia they will return to Boston to their beautifully prepared home. It is by such unions of the blue and grey that sectional discord is removed and strength is given to the nation by the hand-grasp of Massachusetts and Texas. (Waco, Texas, Times-Herald, July 11.) The bride is a daughter of Mr. and Mrs. Chas. W. Green formerly of this city.

Luna Park.

As has been stated in the Gazette, the Washington, Alexandria and Mount Vernon Railway Company has purchased Luna Park in its entirety, and it is said that many improvements are to be made in the resort. The directors held a meeting in Washington yesterday afternoon to make certain plans about the property. It is understood that Mr. Frederick Ingersoll of Pittsburgh will retire from the management of the park and that Mr. Clarence P. King, of Philadelphia, will be appointed manager of the property. Mr. Ingersoll is in ill-health and is retiring from the property on that account. He is suffering from appendicitis and will be operated on in Pittsburgh for that disease on Thursday. Under the new arrangements the park will be under the control of Frederick H. Treat, of the Washington, Alexandria and Mount Vernon Railway, and John W. Bitcock, secretary and treasurer of that company. Mr. Henry E. Warner, the press agent of the park, has resigned his position.

Police Court.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning:

Beattie Johnson, arrested by Officers Beach and Lyles charged with disorderly conduct, was fined \$5.

Julia Braxton, colored, arrested by Officer Jones charged with leaving a nuisance on property lately occupied by her, was dismissed.

James Johnson, colored, arrested by Officers Bettis and Nicholson for escaping from the reform school, was turned over to a guard from that institution.

Mack Jameson, colored, arrested by Officers Young and Sherwood charged with discharging a pistol in the city limits, was fined \$5.

James Jones, colored, arrested by Officer Ferguson for larceny, was dismissed after his mother had corrected him.

"General" Grayson, arrested by Officer Jones for disorderly conduct and fighting, was fined \$2.50. Lettie Grayson, arrested by the same officer on a similar charge, was dismissed.

Ordinances Signed.

Mayor Paff yesterday signed the ordinance granting Mr. E. E. Mandeville, of Philadelphia, the franchise to furnish electricity to Alexandria, also the ordinance embracing the contract between Mr. Mandeville and the city. After signing the papers the Mayor turned the pen over to Mr. C. C. Cameron who forwarded it to Mr. Mandeville at the latter's request. The ordinance granting the franchise will be found on the fourth page of today's Gazette.

Needs Attention.

The bulkhead at the foot of Fayette alley needs immediate attention. The earth has been crumbling away for some time, and if not rendered more substantial it will not be long before it will be impossible to move vehicles on that portion of the Strand.

The schooner Juliet L. Hopkins, from Baltimore with fertilizer to W. A. Smoot & Co., has arrived.

May Live 100 Years.

The chances for living a full century are excellent in the case of Mrs. Jennie Duncan, of Haymarket, Me., now 70 years old. She writes: "Electric Bitters cured me of Chronic Dyspepsia of 20 years standing, and made me feel as well and strong as a young girl." Electric Bitters cure Stomach and Liver diseases, Bilious disorders, General Debility and bodily weakness. Sold on a guarantee at E. S. Leadbeater & Sons' drug store. Price only 50c.

Arguments Heard.

Judge O. E. Nicol, of the Circuit Court, today heard argument in the chancery case of J. P. Agnew & Co. against the Jackson-Phillips Brick Company, of Alexandria county. The case came up before Judge Nicol in February, and was referred by him to Special Commissioner Eugene B. Taylor to examine the assets and liabilities of the defendant company and make report. The report of Commissioner Taylor, which was filed with the clerk of the Corporation Court several weeks ago, as stated at that time, is said to be one of the largest that has ever been filed at the clerk's office in this city.

Boy Killed.

Information was received in this city this evening of the killing of a white boy by a Southern Railway train at Bristow station, above Manassas, last night. There was nothing found on the boy by which to identify him, but it is believed that he lived in this city. The railroad officials have no information concerning the matter other than the body of the boy was found near the track at an early hour this morning by a section hand.

Robbed on a Train.

William Ewing, of Washington, while asleep on a Southern Railway train was robbed of \$19. Ewing boarded a train at Culpeper, early yesterday morning for Washington. Feeling somewhat tired, he fell asleep and did not wake until the train reached the Pennsylvania station in Washington. When Ewing endeavored to pay for a paper, he found his purse missing.

Partial Holiday.

As will be seen by a proclamation elsewhere in the Gazette, Mayor Paff has proclaimed a part of Monday next, July 30, beginning at 9 p. m., a legal holiday. The object is to give the people of this city an opportunity to participate in Alexandria Day at Luna Park. A percentage of the proceeds will be devoted to the Alexandria Hospital.

Increased Capital.

An amendment to the charter of the Paff Shoe Company has been granted by the State Corporation Commission increasing the capital stock of the company from a minimum of \$50,000 to a maximum of \$150,000.

Date Changed.

The carnival to be held on the old fair grounds under the auspices of the Alexandria Light Infantry will begin on August 6 instead of July 30, as at first proposed.

LOCAL BREVITIES.

A marriage license was issued in Washington yesterday to Jerry B. McDonald, of Alexandria, and Myrtle L. Kelley, of Trapp.

The ladies of Grace Church will give a lawn party in the church yard tonight, and all who attend are promised a pleasant time.
